

BIOSYSFOODENG 2023

Join us in Budapest for the 5TH INTERNATIONAL CONFERENCE ON **BIOSYSTEMS AND FOOD ENGINEERING**

Dear Colleagues,

The Department of Food Measurement and Process Control and Department of Food Process Engineering of Hungarian University of Agriculture and Life Sciences, Institute of Food Science and Technology in collaboration with Agro- and Biosystems Engineering Research Committee of the Hungarian Academy of Sciences, warmly invite you to participate in the 5th International Conference on Biosystems and Food Engineering in Budapest, Hungary to be held on 9th of June, 2023.

The topics of the conference are the novelties and new scientific applications in food science and technology focusing on food engineering.

Conference venue: Lurdy Conference and Event Center H-1097 Budapest, Könyves Kálmán krt.12-14., Hungary. The conference can be attended in person or online.

Abstracts for oral and poster presentations are invited on the conference topics and should be uploaded to the conference site: <http://biosysfoodeng.hu>.

Conference publications are welcomed according to the layout and formatting instructions of the conference.

Selected papers will be invited for publication in the Progress in Agricultural Engineering Sciences (Scopus indexed Q ranked) scientific journal.

REGISTRATION FEE (PERSONAL ATTENDANCE): 150 EURO

SPECIAL PRICE FOR STUDENTS: 100 EURO

REGISTRATION FEE (ONLINE ATTENDANCE): 50 EURO

The registration fee covers electronic publication of conference full papers, buffet during the conference and the lunch.

Registration: <http://biosysfoodeng.hu> or
